

## EIT Food RIS Fellowships 2020

### *Develop your talent with top agri-food players during a paid internship in EU!*

MSc students and graduates with different educational backgrounds as well as Ph.D. students and post-docs from 28 RIS countries will discover job opportunities in the food industry, by getting a **unique, professional, paid 3-6 months internships.**

### **Who are we looking for?**

During the recruitment process we will look for **young passionate people from higher education** upon the return to their homes RIS countries, will spur a wave of entrepreneurial innovations and support the development of the local agri-food ecosystem.

EIT Food RIS Fellowships project is divided into two complementary components:

**RIS Fellowships**, dedicated to **MSc students, graduates and young entrepreneurs**. They will reveal their talent in agri-food sector, throughout gaining hands-on experiences and strengthening their job-related skills, including analytical thinking and creative problem solving. RIS Fellowship interns will be engaged in learning-by-doing activities (internal projects and tasks of EIT Food Partners) carried out by each host company.

**RIS Talents**, dedicated to **doctoral students and young post-docs**. They will benefit from lessons learned in your own academic research and they will also be encouraged to engage in industrial collaboration or entrepreneurship. RIS Talents interns will be participated in innovation projects of EIT Food as well as R&D projects by becoming involved in dedicated internships in the EIT Food partners organizations.

## Benefits of the internship

**Precise matching candidates** to the offered internships areas specified by each host company.

Gain hand-on experiences by **creative problem solving** and solving real work problematic situations of the organizations.

Get **1,350€ (Fellowships) – 2,000€ (Talents) gross grant/month** for support your expenses.

Know and **learn about other ways of working** and discuss from a different point of view.

Improve your curriculum vitae and **get contacts and opportunities** that will open up doors for your professional life.

**Enrich yourself** knowing another country and getting involved in its culture.
